This combination consists of a tractor and trailer fitted with free-wheel, light and sound and is an impressive 65 cm long.

The front shovel can be moved up and down manually as well as removed to load the trailer. It is very easy to hitch and unhitch the trailer to the towing hook and manually unload the trailer. The toy tractor is suitable for children with its rounded shape and promotes fine motor skills.

Key features

Batteries contained: 2 × 1.5 V-R6.
