Mini, lightweight light with exclusive patented design owned by and registered to Sealey.

Key features

Unique and innovative 360° swivel and tilt function enables the light source to be positioned in any direction.

Featuring a super bright 3W COB LED light source, which gives an even and constant spread of light.

Produces up to 300 lumens with a CRI-80 rating. Recessed lens for added protection.

1W High power SMD LED directional torch located on top of the light, produces up to 100 lumens.

Rubber covered magnet in base and swivel hook for hands-free operation.

High quality rechargeable 3.7V 1.5Ah Lithium-Polymer battery for longer life, no memory effect and a much slower discharge than traditional Ni-MH batteries.

Operating Time (Side/Top): 3/6hr.

Supplied with Micro USB cable
